

REBECCA L. REMILLARD

1002 Capps Farm Rd
Hollister, NC 27844
Office phone: (252) 257-1959

Current Employment: Founder and President of *Veterinary Nutritional Consultations, inc.* specializes in formulating strategically appropriate dietary recommendations for dogs, cats and horses with medical conditions and has provided independent consulting to pet owners, veterinarians and industry since 1993.

Education

Doctorate of VETERINARY MEDICINE, May 1987, Tufts University
Doctorate of PHILOSOPHY, Animal Science - Nutrition, May 1983, Colorado State University
Masters Degree of SCIENCE, Animal Science - Nutrition, August 1978, University of Maine
Bachelors Degree of SCIENCE, Animal Science, May 1976, Purdue University

Specialty Training

Virginia-Maryland Regional College of Veterinary Medicine;
Internship and Residency in Nutrition, 1987 - 1990
Johns Hopkins School of Medicine; Surgical Nutrition Fellowship, 1991 - 1993

Certification

Diplomate American College of Veterinary Nutrition (comparative), 1991

Professional Experience

North Carolina College of Veterinary Medicine, Raleigh, NC
Nutrition Service Clinical veterinarian and instructor 2011 to 2014

MSPCA Angell Animal Medical Center, Boston, MA
Senior Staff Veterinarian - Clinical Nutritionist 1993 to 2011

Teaching Experience (Large and Small Animal Nutrition)

North Carolina College of Veterinary Medicine 2011 - 2014
University of Tennessee College of Veterinary Medicine 2012
St. Matthew's University School of Veterinary Medicine 2013
Tufts University School of Veterinary Medicine 1993 - 2011
Virginia-Maryland Regional College of Veterinary Medicine 1987 - 1990
Colorado State University, Animal Science Dept 1979 - 1983
University of Maine, Animal Science Dept 1976 - 1978

Professional Memberships and Committee Work

American College of Veterinary Nutrition 1991-present
American Academy of Veterinary Nutrition 1988 - present
American Veterinary Medical Association 1986 - present
National Academy of Science 2003-2004
AAFCO Sub Committee on Canine and Feline Nutrient Profiles 2007-2012
